Concerning **Distribution of Lamprene**

Dear Sir / Madam

This is to confirm that:

Victoria Apotheke, Bahnhofstrasse 71, 8021 Zurich, Switzerland (and its subsidiary www.pharmaworld.com)

has been appointed as the exclusive international pharmacy distributor of Lamprene (Clofazamine) on behalf of Novartis Pharma AG for non leprosy indications, excluding the following countries: Japan, USA, Canada, France.

Victoria Apotheke is providing this international pharmacy service to ensure that patients who require Lamprene medication for non Leprosy indications will continue to have access.

In order to ensure that Lamprene is used appropriately, Victoria Apotheke will only distribute the drug following confirmation of filled prescription from a qualified physician and clearance of appropriate payment.

Yours sincerely

A handwritten signature in black ink, appearing to read 'P. Rush', with a long horizontal flourish extending to the right.
